

High School Student Award

\$100

IMAGINATION

REQUIREMENTS

1. All entries must be completed entirely by the student – teacher, peer and parental suggestions are encouraged
2. All entries must be completed during years at high school. If the student has moved on to college or university the entered item must have been completed the previous high school year.
3. Any visual art medium is acceptable

JUDGING REQUIREMENTS

1. Judged on the evidence of imagination not the technically mastered finished product. (Keep in mind that a well executed piece of art is pleasing to the eye and judges can not help but be influenced by what they see.)
2. Judged also on the process of imagination leading to creativity, and finally, leading to a finished product.

IMPORTANCE OF IMAGINATION

Imagination is the beginning of innovation – Lynn Haygarth

- ✚ Babysitters need imagination with children by asking “now what can we do”.
- ✚ A scientist needs imagination by asking “what if”.
- ✚ Farmers need imagination to repair equipment when the dealership is closed and the required parts are unavailable.
