

## Get On With It

### An opportunity to work with five local artists in their studios

**Art aRound Town** would like to invite you to a new and exciting opportunity for young and curious artists, an immersive interdisciplinary experience working under the instruction and guidance of five established local artists in their personal studios.

Working in a small group of no more than ten and over a period of 10 weeks spanning July, August and September, you will work on developing your creative process, create four pieces of work in the disciplines of print, photography, sculpture and drawing/watercolour painting, take part in a group critique of your cumulative work and developing your artist's statement. At the end of all this there will be a group exhibition to showcase your work to friends, family and members of the public.

### Requirements

- must be between the ages of 16-22
- must provide own transportation getting to and from artists' studios
- the cost of this program is \$120.00 per individual
- you will be expected to bring a sketchbook
- the size of this program is capped at ten
